Viewing:

As we cautiously reopen to the public, we want to keep staff and customers alike as safe as possible.

For everyone's reassurance, our staff will continue to wear masks in all public areas during viewing and sale days for the foreseeable future. We invite our customers to do the same, should you so wish.

Wednesdays before sale will now be viewable without appointment 10am till 5pm.

As a courtesy, please continue to maintain social distancing wherever possible, and to use our hand sanitisers.

Inspection of items in or behind our cabinets will remain strictly on a first come, first served basis - as social distancing and numbers allow. We thank you in advance for your patience and understanding.

For those who prefer not to attend mass gatherings at this early stage, we are pleased to continue with pre-booked viewing system on the Tuesday, 9.30am-1.00pm (last entry 12.45pm) and 2.00pm-5.00pm (last entry 4.45pm).

Due to the current situation and to our new registration system, please allow additional time if attending on sale day, in order to obtain a bidding paddle. You can also register online at www.clevedonsalerooms.com for bidding in person or via our new live bidding service.

We look forward to welcoming you back to the Saleroom, and thank you for your kind co-operation.

Lot 23

Estimate: £80 - £100 + Fees
